

ATTENTION CREWS

Due to numerous complaints of overcrowding in Employee Lot #1, starting 4/24/17 the police will begin strictly enforcing parking policy. The only acceptable form of authorization to park in Lot #1 will be the red parking pass pictured below (employee timetables, safety vests, old parking passes are **NOT** acceptable). Any T&E employee who needs this pass must see Saria in the Clerk's office by the men's locker room.
