Action Needed! Dependent coverage WILL be canceled. Take Action Now!

If you have recently submitted verification documentation, please contact Alight directly at 1-800-725-5810 to confirm receipt and verification status.

The purpose of this letter is to inform you that as of the issue date of this letter, we have either not received your verification information or the verification information you submitted was not sufficient to verify your dependent(s)' eligibility to participate in NJ TRANSIT's benefits plan (the Plan). For this reason, coverage under the Plan for any dependent listed in this letter as unverified will be terminated. Any current coverage elections for unverified dependents will be removed, including medical, prescription, dental, vision, and spouse life insurance.

If you have had a qualifying life status change within the past 60 days, you must report the change to the NJ TRANSIT Benefits Department in order for your dependent(s) to be eligible for COBRA. If you do not report the life status change within 60 days and you fail to submit documentation to verify your dependent(s), your dependent(s)' benefits will be terminated, and COBRA will not be offered. The next opportunity to enroll your eligible dependent(s) will be during open enrollment.

To give you one last opportunity to provide your documents and avoid any disruptions or breaks in your dependent(s)' coverage, your deadline has been extended until 03/27/2020.

For accelerated determination, submit your documentation using secure online upload with your computer or smartphone.
