

Memorandum

TO: All Rail Employees

FROM: Bill Feeney
Safety Program Administrator

DATE: April 29, 2019

SUBJECT: 2019 Prescription Safety Eyewear Program – **Hoya Optical**

All NJ TRANSIT Rail employees are eligible for two pairs (one clear pair and one tinted pair, or two clear pairs) of prescription safety eyewear during 2019. **Since this is a brand-new program, all employees are eligible effective immediately for this program regardless of previous purchases during 2019.**

The vendor for the Prescription Safety Eyewear Program is Hoya Optical. The procedure is to take your prescription to one of the eye care professionals on our approved list. The providers will have blank order forms for you provided you show a valid NJ TRANSIT ID. The eye care professional will then fax your completed forms directly to Hoya.

These are **important points to remember**:

1. You must use one of the eye care professionals on NJ TRANSIT Eye Care Provider list. NJ TRANSIT **WILL NOT BE RESPONSIBLE FOR ANY CHARGES** you might incur if a non-participating provider is used.
2. The approved frames are on display with the eye care professionals. The providers will receive the glasses from Hoya within 2 - 3 weeks. If you do not hear from the eye care professional after that time, contact them to verify if the glasses have arrived.
3. This program is for eyeglasses only; payment for eye examinations are the responsibility of the employee, subject to the applicable union agreement.
4. Upgrades are allowed only if accompanied with appropriate documentation and are subject to approval.
5. The following are not permitted:
 - a) Glass lenses
 - b) Photosensitive lenses
 - c) Transition lenses
 - d) Eyewear without side shields

Side shields must be permanent. **DO NOT REMOVE** the side shields or you will not be in compliance with Safety Rule 252.

Please contact Bill Feeney at 973-491-8945 or wfeeney@njtransit.com for further information.

INSTRUCTIONS FOR ORDERING SAFETY GLASSES:

1. Choose an approved eye care provider from the NJ TRANSIT Eye Care Provider list.
2. Inform the provider that you are an NJ TRANSIT Rail employee and present your NJ TRANSIT employee ID badge.
3. Your eye care provider will print and fill out your Hoya Eyewear Order Form with your information.
4. Choose a pair of frames (one clear pair and one tinted pair, or two clear pairs) from the NJ TRANSIT Frame Catalog 2019.
5. Hoya will return the finished glasses by mail to the eye care professional indicated on the completed Hoya Eyewear Order Form.

It normally takes 2-3 weeks for the glasses to be returned to the eye care professional. You can call them any time within that period to see if your glasses are ready.

RETURNS

If you have any problems with your glasses or if they need repair, contact Bill Feeney at wfeeney@njtransit.com or 973-491-8945 for forwarding instructions.
