

All lines will operate on a Presidents Day Schedule, **crews should report at the regular time and day their assignment is advertised (not the holiday sign up time)**, with the following additions and modifications as noted below.

For the NEC/NJCL, TTSB items will place weekend ETT sections in effect, in place of weekday schedules, with letter items covering additions.

For other lines, TTSB items will include attachments to this email as replacement in full for weekday sections.

Train schedule data has been transmitted to the website trip planner and the ROC.

TTSB's implementing the schedule changes will be issued tomorrow.

NEC:

- Additional early morning trains 8890 and 8811 will operate between Trenton and New York
- The following trains will make additional stops at North Elizabeth: 8202, 7808, 8214, 8811, 8213, 7221, 7229, 7237, 7865
- Princeton Branch service is added to match weekday span of service
 - First trip from Princeton Jct at 4:46 AM; 9 additional morning round trips
 - Last trip arrives Princeton Jct at 1:50 AM; one additional late-night round trip

NJCL:

- Additional early morning trains 8202 and 8213 will operate between Long Branch and New York
- All 7200- and 8200-series trains will stop at Avenel

RVL:

- Trains 5506 and 5508 will operate from High Bridge and make an additional stop at Garwood
