

### ATTENTION EMPLOYEES:

**NJ TRANSIT HAS PARTNERED WITH AGILE URGENT CARE AND ACCURATE DIAGNOSTICS TO PROVIDE COVID-19 TESTING TO ALL NJ TRANSIT EMPLOYEES.**

**Agile currently has one testing site available, at the American Dream complex: Lot 26, East Rutherford, New Jersey.**

NJ TRANSIT is working with Agile to expand testing options throughout the state. Agile's test will be conducted through a saliva sample and detects whether or not the patient is currently infected with COVID-19 – it does not currently include antibody testing.

#### **Here's how to register and to receive your test:**

- **Sign up online at [njt.agileurgentcare.com](http://njt.agileurgentcare.com)**
- After you register, you will be asked to schedule a Telemedicine appointment.
- You will receive confirmation of your Telemedicine appointment via e-mail or text message with the URL for the appointment.
- At your Telemedicine appointment, you will speak with a provider, answer some basic questions, and schedule an in-person test.
- You will receive confirmation of your test appointment via e-mail or text message with a QR code that will be required on the day of your test.
- Travel to American Dream at your scheduled date and time. **You must present a valid NJ TRANSIT ID card to be tested.**
- **Test results will be ready within 2 to 3 days. At that time, a medical professional will call you to discuss your results.**
- **If you test positive for COVID-19, you will schedule a follow-up appointment and discuss next steps.**
- **You must report positive test results to NJ TRANSIT Medical Services – via NJ TRANSIT's toll-free COVID-19 hotline – at 1-888-890-0729. This hotline is staffed 24/7.**
- If you test negative, no other action is required.
- Questions regarding the testing process can be directed to Agile Urgent Care at: 973-993-7170
