ATTN: Conductors and Assistant Conductors

RE: Nextel Phone Service

Please be advised on Wednesday, June 2<sup>nd</sup>, 2021, Nextel phone service will be discontinued for anyone that has already been issued a Mobile Validation Device. Please take this time to transfer any contact numbers from your Nextel to your Mobile Validation Device that wasn't already installed on the Mobile Validation Device. You may also replace a Nextel phone number you have on record with the crew callers with your Mobile Validation Device Phone number.

Thank you,

Rail Supervision
