

## 2021 RAIL SAFETY BOOT/SHOE PROGRAM

All NJ TRANSIT Rail employees are eligible to receive one (1) \$60.00 subsidy per calendar year towards the purchase of select safety boots or shoes well as one (1) additional \$60.00 subsidy for either select Winter Boot. This is a voluntary program, safety boots or shoes purchased outside of the company vendor are not eligible for the subsidy.

To make a purchase in person, eligible employees may visit Saf-Gard's branch in Edison or participate in one of SafGard's bi-annual shoe truck visits at various NJ Transit locations and provide their NJ Transit ID at the point of sale.

To order by phone, employees may call the Saf-Gard branch in Edison, provide their NJ Transit ID number and have their shoes or boots delivered to their home address.

- T&E employees including Ticket Agents/TVM Agents, Rail office personnel and Locomotive Engineers may select from either list of soft-toe shoes/boots and safety-toe boots.
- Engineering and Mechanical Department employees may select only from the list of safety-toe boots.

As a reminder, all Engineering employees working on bridges are required by FRA regulation to wear safety-toe boots when working on bridges.

Employees may pay their remaining balance after the subsidy is applied with cash, credit card or payroll deduction. If paying through payroll deduction, the remaining balance will be deducted automatically from your paycheck after tax.

**Note: Employees may make multiple purchases at the discounted prices offered exclusively to NJ Transit Rail employees, however employees will not receive additional yearly subsidies beyond the one (1) \$60.00 subsidy for a regular boot or shoe as well as one (1) additional \$60.00 subsidy for a winter boot.**
