

OUR WHY

In 2020, Jermaine Jenkins was tragically killed in a motor vehicle accident leaving behind his wife and five children. In 2021, the Jermaine L. Jenkins Foundation was established to honor Jermaine and offer post-secondary educational support to the children of Smart-TD Local 60, the union that represents New Jersey Transit rail conductors and assistant conductors who may pass away. All proceeds and donations to the Foundation go toward scholarships and higher education assistance.
