

Memorandum

To: All Rail Employees

From: The Office of System Safety

Date: 8/24/2022

Subject: Fall 2022 Safety Shoe Truck Schedule

The Shoe & Boot Truck is making another run this Fall!

Below you will find our schedule as well as program information including our current list of boots; all of which are offered at a discounted price exclusively for NJ TRANSIT Rail employees. In addition to this discounted price, all eligible Rail employees may purchase any boot listed and receive one (1) \$60.00 subsidy per calendar year for one regular boot as well as one (1) additional \$60.00 subsidy per calendar year for the purchase of one Winter Boot.*

*Please note, employees can make multiple purchases at the discounted prices listed, however, employees will not receive additional yearly subsidies beyond the one (1) \$60.00 subsidy for a regular boot or shoe as well as one (1) additional \$60.00 subsidy for the Baffin Winter Boot.

2022 RAIL SAFETY BOOT/SHOE PROGRAM

Qualified NJ TRANSIT Rail employees are eligible to receive one (1) \$60.00 subsidy per calendar year towards the purchase of select safety boots or shoes well as one (1) additional \$60.00 subsidy for either select Winter Boot. This is a voluntary program, safety boots or shoes purchased outside of the company vendor are not eligible for the subsidy.

To make a purchase in person, employees may visit Saf-Gard's branch in Edison or participate in one of SafGard's bi-annual shoe truck visits at various NJ Transit locations and provide their NJ Transit ID at the point of sale.

To order by phone, employees must call the Saf-Gard local branch in Edison, provide a picture of their NJ Transit ID via email to edison_store@safgard.com and have their shoes or boots delivered to their home address.

- T&E employees including Ticket Agents/TVM Agents, Rail office personnel and Locomotive Engineers will receive (1) \$60 subsidy for any soft-toe shoe or soft-toe/hard-toe boot listed in the program.
- Engineering and Mechanical Department employees will receive one (1) \$60 subsidy for any boot listed in the program.
- All Rail employees are eligible to receive one (1) additional \$60 subsidy for one purchase of one of the selected winter boots.

As a reminder, all Engineering employees working on bridges are required by FRA regulation to wear safety-toe boots when working on bridges.

Employees are responsible for paying any remaining balance after the subsidy is applied. If paying through payroll deduction, the remaining balance will be deducted automatically by Payroll after tax.

Note: All Rail employees may make multiple purchases at the discounted prices offered exclusively to NJ Transit Rail employees, however employees will not receive additional yearly subsidies beyond the one (1) \$60.00 subsidy for a regular boot or shoe as well as one (1) additional \$60.00 subsidy for a winter boot.
