

SMART-TD - General Chairman's Report

November 2025

Comply 365

- Members are no longer required to carry physical rule books.
- All rule books may now be accessed through each member's MVD device.

Bereavement Leave

- Members needing bereavement leave for individuals not covered under the standard policy must contact the General Chairman directly.
- The Organization will request permission on behalf of the member.

Opening Doors

- Members must open their local door.
- Observe the platform prior to opening doors to ensure safe boarding.
- Doors must be opened appropriately and in compliance with all safety protocols.

Ticket Collection

- Ticket collector assignments should be filled properly, as prescribed in our Agreement. -
- The CEO's ticket collection initiative has removed any justification for unfilled assignments.

Hoboken Facility

- The Carrier has stated its intention to relocate our members to 2 Hudson Place.
- We continue to stress the deplorable conditions at the current Hoboken terminal.

- This issue remains at the forefront of all discussions with the Carrier.
