March 10, 2026

Dear Sir/Madam:

I have the honor of heading a non-profit organization that was founded over 40 years ago and has devoted time and money toward the enrichment of children in our area.

Railmen for Children Inc. was founded by New Jersey Transit Conductors and Engineers. In the beginning, our means of support were based on spare change that was collected and donated throughout the year.

Through the generosity of our members and people like you, we have been able to touch the lives of over 20,000 children during the holiday seasons. Our train rides with Santa combine the magic of Christmas and the excitement of the railroad for children that may otherwise be denied a happy holiday without our help. Through the years, we have been featured on numerous news channels and accompanied by local dignitaries eager to help spread some holiday cheer.

On Saturday, August 29, 2026, we will be hosting our *"Annual Golf Outing and Dinner"* at the beautiful High Point Golf Club in NJ. This is our chief fundraiser and gives us a chance to meet with many of the supporters who aid in our cause. There are door prizes, raffles, awards, and loads of food and laughs. Always a success, we encourage everyone to attend this fantastic event.

To guarantee that all our efforts benefit the children, we ask for donations of promotional products, door prizes, gift certificates, or hole sponsorship. All donations are tax deductible through our corporation. All support is welcome, no matter how small. We have built this organization on nickels and dimes so we can appreciate how quickly they add up.

If you are interested in supporting our fundraiser, products and/or gift certificates should be donated no later than July 1, 2026. A hole sponsorship is a \$100.00 donation and your name, or the name of your company will be placed on a hole that you represent.

Thank you for your time and consideration and I look forward to hearing from you in the future. Sincerely,

James Free
President
